Thank you for sponsoring the inaugural Concert on the Green – a joint benefit for the Milton First Responders and Alpharetta Public Safety Foundations.

Join neighbors and friends for a fantastic concert by The John Driskell Hopkins Band featuring the incomparable John Driskell Hopkins "Hop", founding and current touring member of the Zac Brown Band. If you've never seen Hop live you are in for a treat.
Opening acts will be local youth bands – come support budding musicians in our area!

The Mission of the First Responders and Public Safety Foundations is to encourage and strengthen the partnership between the citizens of Alpharetta and Milton and our first responders. As much as we all need the police and firefighters, they need our support as well. These Foundations raise funds that support police and firefighters in times of need and provide invaluable training and equipment to keep our cities, and our heroes, safe.
Sponsorships are tax deductible.
